“Adventure Seekers!” Summer CAMP Themes & Descriptions

More detailed descriptions located at the Front Desk or on our Website

Week 1: May 30-June 2 – FROZEN!

Brrr! It’s cold near the North Pole there’s snow and there’s ice, not a creature is stirring but could there be mice? “Let it go thinking” will be replaced fast, with flying squirrels, and fjords that last!

Week 2: June 5-9 – SUPERHERO’S

They soar! They jump! They flip and twirl! Boys and girls love saving the world! What a blast for young hero’s at heart, to fly in for super fun play and art!

Week 3: June 12-16 – CIRCUS IN TOWN

The ringmaster will start the show soon, so come join the animals, tricks, and balloons. Come one, come all, we’re clowning around! A FUN time is planned with tricks all around!

Week 4: June 19-23 – GOOEY ART & SCIENCE

Calling all children who love to explore and make gooey messes, paint art on the floor!

Week 5: June 26-30 – SPLISH! SPLASH!

The sun is hot, the water is cool, join us for “beach theme” at summer school! We’re learning about sea life, tide pools, and more. Leave your shoes at the door and come EXPLORE!

Week 6: July 3-7 – PARTY IN THE USA!

Fireworks in the sky and flags flying high. Dance, make instruments, create music, too, get ready to celebrate red, white, blue . . . and YOU!

Week 7: July 10-14 – LOVIN’ LITERATURE

You’re never too old, too wacky, too wild, to pick up a book and read to a child. Dr. Seuss said that, and we sure agree, delve inside of pages, make books you and me!

Week 8: July 17-21 – BUSY LEGO BUILDERS

Stack, pound, bend in our school land. Can we build it? Yes, we can! Try different textures, a little dab of glue, we might need tape before we’re through! Put on a hard hat, FUN-Learning will be found!

Week 9: July 24-28 – EARTH EXPLORERS

From the treasured sky above to the raging waters below... Hi ho! Hi ho! Exploring the Earth we go!
